

Annexure VII

Resolution no. 35/2023 of 93rd meeting of the Executive Council held on 31/10/2023

Maharashtra Animal and Fishery Sciences University

Futala Lake Road, Nagpur

REVISED CRITERIA FOR SELECTION OF BEST RESEARCH PUBLICATION AWARDS

1. The original research articles published in journals of national and international repute based on the research work carried out in the constituent colleges of MAFSU shall be considered for the awards.
2. The research articles published during the period w.e.f. of January to December shall be considered for giving awards for each year.
3. Three awards shall be given each year one each in the faculty of Veterinary and Animal Science, Dairy Technology, and Fishery Science.
4. The minimum requirement for publication to be eligible for the award shall be NAAS rating of 7 and above.
5. All the research publications that have been recognized by NAAS or having Thompson Reuter impact factor shall be eligible for the award.
6. The research publication with the highest NAAS Rating in each category i.e. Veterinary and Animal Science, Dairy Technology, and Fishery Science shall qualify for the award. The articles published in journals which are not included in NAAS list but has Thompson Reuter impact factor; NAAS rating will be calculated as 6 + Thompson Reuter impact factor.
7. Applications will be invited every year from the academic officers of the University for deciding the research publication awards of the preceding year.
8. Applications will be screened by the committee consisting of the following
 - a. Director of Research - Chairman
 - b. DI and Dean (Vet) - Member
 - c. Director of Extension Education - Member
 - d. Deputy Director of Research - Secretary
9. Research publications of faculty members of MAFSU derived from work carried out in other institutes will not be considered for the award.
10. The decision about the collaborative work carried out by multiple institutions shall be taken by the committee.
11. In case there is a tie in the scores of NAAS rating in the research publications of a particular category, both research publications will be selected for the award.
12. Selection of best research publications shall be finalized every year well in advance to confer the awards on the Foundation Day of the University.
13. All the authors authoring the publication shall be conferred upon the award, including PG students, if any.
14. The award shall comprise a certificate and shall be given to all the authors.
15. The decision of the committee with respect to the selection of best publication shall be final.
